

## Donate Promo Items for Prizes

Thursday, 23 August 2007

A great way to promote your business is by donating small items with your business name and logo on them as prizes for our games! We would love to have pencils, pens, slap bracelets, koozies, frisbees or any other great promotional items you'd like to donate. If you don't already have promotional items for your business, check out AdMagnets for some cool ideas like mini footballs, gliders and more. Please contact us if you are interested in donating prizes.
