

Donate Items for the Croc Catch

Thursday, 23 August 2007

What's the Croc Catch? It's our wildly successful game where carnival goers pay \$5 for a stuffed crocodile. On the bottom of that croc is a number and that number relates to a prize, donated by our community. Prizes have a minimum value of \$5 up to items as expensive as trips and even a leather recliner! Many businesses donate gift cards and gift certificates or even sample baskets of items they sell. Last year we had over 250 items in our Croc Catch game and this year we are looking to make it bigger and better! Please contact us if you'd like to donate something from your business for the Croc Catch!
