

## Closing Fireworks Sponsor

Thursday, 23 August 2007

This year's Corley Carnival will end with a spectacular fireworks show, launched from the roof of the school! Don't leave early and miss it. We are looking for one or two sponsors to donate funds for the fireworks show. Fireworks sponsors will be announced in the newsletters leading up to the carnival, in all of our marketing efforts for the carnival and throughout the evening leading up to the show. How much are we looking for? Well, it's your name on the show so you tell us how impressive you want things to be!
